

BIO-SILA

ALUMINIUM PERGOLA

PRODUCT FEATURES

01

Power-coated **AkzoNobel** aluminium with **5-years-warranty** for outdoor discolouration.

02

Flat-ceiling Louvre Blade with anti-sagging design for waterproofness.

03

Gutter incorporated with beam and single-sided control rod for quick assembly.

04

Each post comes with die-casting base cover to keep the base plate/anchor bolts invisible.

05

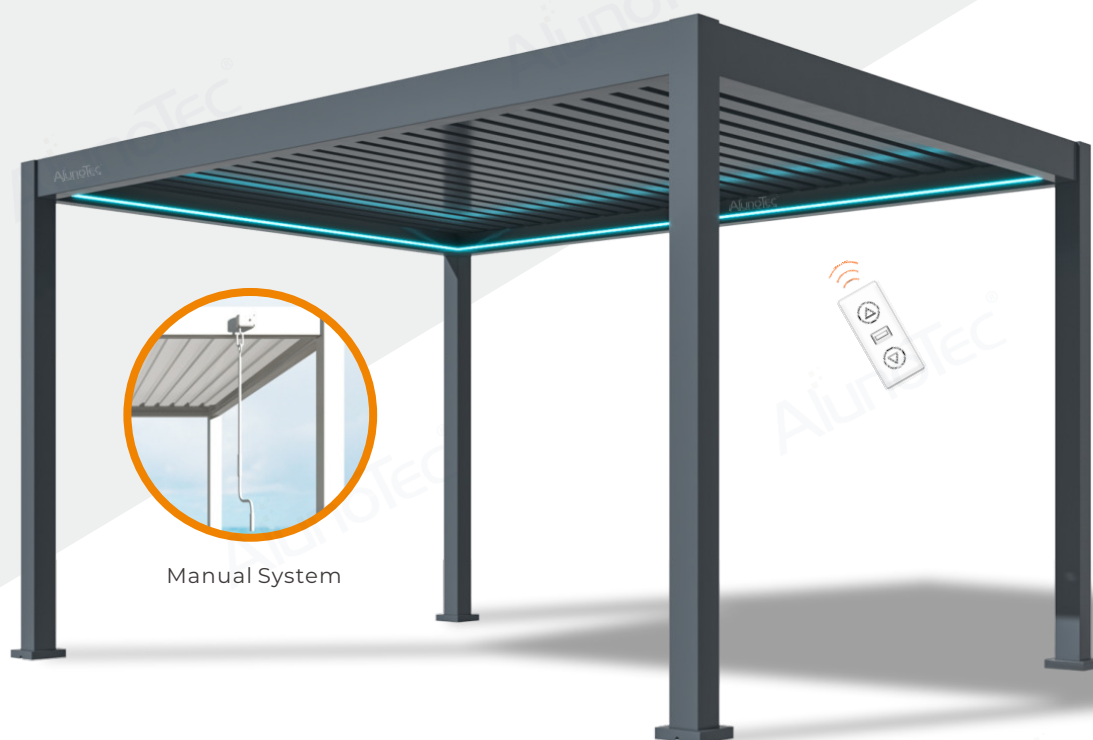

The post surface is flushed/smooth all the way up to the gutter top.

06

Two-toned colours of dimmable **led strip lights** are available as standard supply for all models.

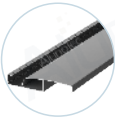

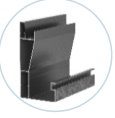

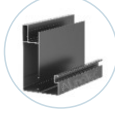

Create a luxurious relaxing and entertaining space in your garden with our innovative aluminium louvre roof, with a choice of manual or electronic and size.

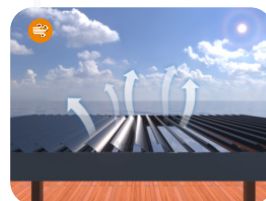

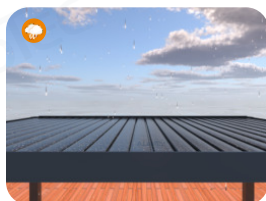

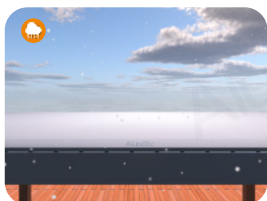

BIO-SILA

Manual System
